MFG Lite™ | Manufacturing Operations SaaS Platform

MFG Lite™ has what you need to run your manufacturing business without the excess bloatware. It does not contain features that are seldom used by small business that costs thousands of dollars in monthly fees. By not including these seldom used features, it makes the platform simple, efficient, and affordable.

Features recap (subject to change without prior notice):

- Dashboard cube (TOP 10 of each)
 - Overdue Customer Orders | Raw Material Threshold | Employee Low Performance | Employee High Performance | Machine Status
- Production cube
 - Production Schedule | Daily Production Entry | Product Inventory | Single Format Packaging Label
- Purchasing cube
